

Burlington Northern Covered Hoppers (1970s-1984) including FMC 4700 Cuft, Thrall 4750 Cuft, and the Pullman Standard 4750 Cuft Hoppers. This set includes data and logo variances to cover these 3 series of covered hoppers. Each manufacturer had their own spin on the BN logo and herald. Use photos when decalling your car to better match the prototype.

MICROSCALE Decal
HO Scale 87-1276
N Scale 60-1276

FMC
4700 Cuft
Hopper

Thrall
4750 Cuft
Hopper
