This set covers CSX 60' and 86' Boxcars 1990s+. There are various logo sizes between 24" and 48" to match different repaint options found on the prototype. Be sure to use photos to better match each boxcar.

For additional data in yellow use 87-460, 463, 1123 and 87-504, 988 (Specific to CSX) to cover any variations. For additional COTS panels refer to MC-4126 or MC-5004
