It is always best to refer to photographs of the prototype when modeling. Here is a list of references:
Rail America Vol 1 by Lewis & Dorin (LPD Publishing)
ISBN 0-920264-18-2
or 0-920264-16-6
The Detroit Toledo & Ironton Railroad: Henry Ford's Railroad by Trostel (Cam-Tech Publishing) LCCCN 88-071455

DT&I's diesels switchers wore cast metal logos and numbers. In lieu of this, the smaller logo can be used, along with the numbers, to letter a switcher.

GP7s 950 - 954 were delivered with the smaller herald, and GP7s 955 - 973 wore the large herald.

DT&I Diesel Roster:
900 - 901 -- SW1
910 - 916 -- NW2
920 - 924 -- SW7
950 - 973 -- GP7
