

This set includes most dimensional data required for lettering 40' and 50' boxcars spanning multiple eras from the 40's to the 90's. Lettering includes car class, re-weigh shop, AAR codes, capacity, and dimensional data. Re-weigh dates will need to be assembled in 3 parts starting with the shop, then the month with an optional hyphen, then the 2 digit year. This set also includes several heralds that were missing from the previous sets. Use with 87-9, 87-30, 87-215, 87-216, 87-264, 87-498, 87-505, 87-506, 87-800,
