

MICROSCALE Decal  
HO Scale 87-1435  
N Scale 60-1435

This set will cover a variety of Passenger Cars for the Nickel Plate covering 1929 until the Nickel Plate was merged into the Norfolk Western. For the streamline passenger cars, the roof ends, trucks and stripe across the lettering board were all painted BLUE. The underframe was painted black. The body was a metallic silver.
