

This set will do a few select Union Pacific Operation Life Saver Billboards compatible with the BLMA models Modern Billboard in HO (4320) and N scale (520).

MICROSCALE Decal
HO Scale 87-1438
N Scale 60-1438

There was a little room between the UP Billboards and lettering is included to replicate the following two options for the BLMA model. Extra numbers are included for modifying the phone number on the "THIS SPACE AVAILABLE" version.

The prototype for the directions billboard is on a green background. TF-9 Trim Film would do well as a background color

you can always look to me
for directions.
