

This set will cover a variety of Canadian Pacific modern boxcars with and without the CP Beaver Herald. CP began purchasing and rebuilding boxcars of both Plate B and Plate C clearances. CP would then rebuild the cars often raising the roofs of the Plate B cars to a Plate C. Many former RailBox and other 1970s per diem cars were acquired by CP for this rebuild program and can still be found in service today.

MICROSCALE Decal
 HO Scale 87-1513
 N Scale 60-1513
 O Scale 48-1513
