PLACARDS & GRAFFITI SHEET

MICROSCALE DECAL

TRAIN

FOR THE SAKE OF CLAIRITY WE HAVE SUPPLIED A
LINE DRAWING OF AN ACTUAL PHOTOGRAPH THAT WE
HAVE IN OUR POSESSION .
THE DRAWING SHOWS PLACEMENT OF VARIOUS DATA
ON THE CAR , IT ALSO SHOWS THE ACTUAL NUMBER
OF THE CAR.
THE CAR IS AVAILABLE FROM ATHEARN . IT IS THE
FIFTY FOOT SINGLE SLIDING DOOR BOX CAR .

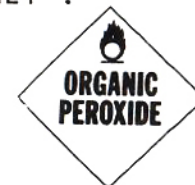

AS FREIGHT CARS MAKE THEIR
 ROUNDS CERTAIN ARTISTS FIND THEIR
 FLANKS A PRIME CANDIDATE FOR A
 MASTERPIECE.

PLACEMENT IS AT YOUR
 DISCRETION.
 PHOTO'S OF THE
 PROTOTYPE ARE ALWAYS
 HELPFUL.

PLACARDS ARE USED TO MAKE ANY
 HAZARDOUS LOAD EASILY SPOTABLE
 SO THAT THE DANGEROUS MATERIAL
 MAY BE HANDLED ACCORDINGLY .

THIS MARKING IS TO
 DENOTE AN EMPTY
 THAT HAS CARRIED A
 HAZARDOUS LOAD.

CAUTION
 CONTAMINATED

THE DECALS ON THIS SHEET ARE TO
 COMPLIMENT YOUR EQUIPMENT .

THANKS TO DICK (WATAKA) CURTS
 FOR HIS ASSISTANCE IN GATHERING
 THE INFORMATION USED ON THIS SHEET.
