

Right before the merger into Union Pacific, Western Pacific modernized their feather herald into a more stylized emblem. This was seen on a few new FMC and PC&F boxcars. Be sure to reference photographs. This set contains several enhancements and extra heralds to letter variations previously not possible. This set will letter more schemes than depicted.

This set Replaces MC-4349.

Use with 87-2, 87-38, 87-193, MC-4280, MC-5002, MC-5003, MC-5012
