Hazardous Material placards show up almost everywhere. The placards are convenient on a variety of trucks, trailers, vans, containers, tankcars, covered hoppers, etc. To duplicate different style holders, there are several parts included with this set that can be used to place over an existing HazMat sign or be just a stand alone frame. Reference photos wherever possible for best placement.

MICROSCALE Decal
HO Scale MC-5030
N Scale 60-5030

USE WITH: 87-975 (HazMat signs)
