

The Burlington Northern had a vast fleet of boxcars and the sheer variety from assorted parent roads created an assortment of styles. To further complicate things, some shops had their own spin on the BN logo! You will find in this set the most common herald sizes for mixing and matching. There are MUCH more lettering possibilities with this set than is depicted. Additional Data set (87-1377 or 60-1377 for n-scale) provides you with the correct font face plus some useful dimensional and car class data. Use with 87-2, 87-38, 87-193, 87-1377, MC-4280, MC-5002, MC-5003, MC-5012
